Subject: Pollinator Summit: Notes from Call on 2.7.13

Hello,

I have attempted to put together a proposed agenda for the Summit with time frames for the various agenda items. Please see attached and let me know if you have any comments.

Action Items:

- Ø Please look at the draft/proposed agenda with speakers and timelines.
- Ø Are the speaker's names correct, including spelling? Please add any needed affiliations or other information.
- Ø Add sub-bullets for detail on the presentations if possible.
- Ø Please comment on the proposed time slots for each presentation. Is there enough time, too much time?
- Ø For the BMP theme, is there a better title for this segment, aside from simply BMPs? Also, Jessi and others, please give me titles of presentations and time needed for each.
- Ø Group Leads, please send Mary the following: 1) Number of people from each theme group will be attending (so we can reserve seats for everyone)? 2) Speaker names; 3) Send any comments and changes on the proposed agenda.
 - Our next call is this Wednesday, from 3:30 PM-4:30 PM. The call-in number is [REDACTED] Code: [REDACTED]

Thanks!

Mary
